

A more engaging, intuitive and fun way of learning !

Feature Update Release

Change Email Address

Students can now change their email address using the following steps:

Go to **“My Profile”** and select **“Basic Information”**. Then click on **“Change Email Address”**.

The screenshot displays the 'My Profile' page of 'The Future School - Aim for Excellence'. The page has a top navigation bar with icons for Home, Classrooms, Subjects, Testpapers, Chat Rooms, and My Time-Table. On the right, there is a user profile card for 'John.Doe' with a search icon, a notification bell, and a profile picture. The main content area is titled 'My Profile' and features a sidebar on the left with various profile management options: Basic Information, Linked Guardian Account, Password, Credits, Manage Subscription, Redeemed Coupons, and Preferences. The 'Basic Information' section is highlighted with a red box. The main form contains fields for Full Name, Nick Name, Email Address, Phone Number, School, and Location. The 'Email Address' field is currently 'jasminestudent@mst.sg'. Below this field, a note states 'This is your primary email address and will be used to send notification emails.' with a red box around the 'Change Email Address' link. A 'Save Changes' button is at the bottom of the form. A dashed blue arrow points from the 'Change Email Address' link to the 'Basic Information' sidebar item. Another dashed blue arrow points from the 'Basic Information' sidebar item to the 'My Profile' dropdown menu on the right, which also has a red box around the 'My Profile' option.

Change Email Address

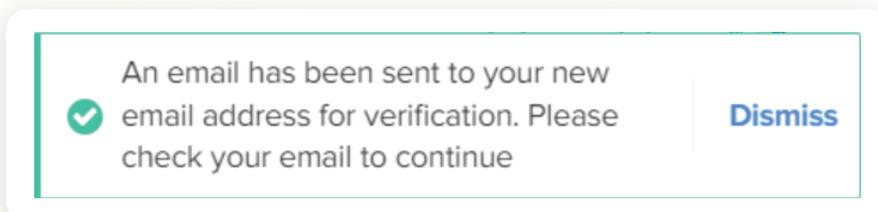

Enter the new **Email Address** and then verify the current Password.

The screenshot shows a web application interface for 'The Future School - Aim for Excellence'. A modal window titled 'Change Email Address' is open, displaying the following content:

- Change Email Address**
- You are going to update your current email address with a new one. Please enter your new email address and verify your current password.
- New Email Address**
- Verify Current Password**
 SHOW
-

Below the modal, the 'Location' field contains 'singapore, singapore' and a 'Save Changes' button is visible. The footer includes 'Powered by My Second Teacher' and '© 2023 MySecondTeacher. Privacy Policy'.

An email will be sent to the new email address for verification.

Once the student has verified it, the email address will be changed.

Self-grading Testpaper/Assignment

Students can now view the overall details of their submitted Self-grading Testpaper Assignments using the following steps:

Go to the “Classrooms” tab and click on “Assignments” then select “Full Report”.

The screenshot displays the MySecondTeacher web application interface. At the top, the school logo and name 'The Future School - Aim for Excellence' are visible. The navigation menu includes 'Home', 'Classrooms', 'Subjects', 'Testpapers', 'Chat Rooms', and 'My Time-Table'. The 'Classrooms' tab is selected and highlighted with a red box. Below the navigation, the current classroom is identified as 'IGCSE Chemistry 0620 Mi'. The 'Assignments' tab is also selected and highlighted with a red box. The main content area shows a list of assignments. Under 'Open Assignments (1)', there is one assignment titled 'Ivy as an Assignment' with a grade of 55.56. Under 'Closed Assignments (28)', there is one assignment titled 'demo' with a grade of 70. The 'Full Report' button for the 'demo' assignment is highlighted with a red box. The footer includes the MySecondTeacher logo and the copyright notice '© 2023 MySecondTeacher. Privacy Policy'.

Self-grading Testpaper/Assignment

Select the “**View Answers**” option to view the answer sheet.

The screenshot shows the 'The Future School' interface. At the top, there is a navigation bar with 'Home', 'Classrooms', 'Subjects', 'Testpapers', 'Chat Rooms', and 'My Time-Table'. The user is logged in as 'demo' with 100 Tutor Credits. The current assignment is 'IGCSE Chemistry 0620 Migrated'. The 'Assignments' tab is active, showing a 'demo' assignment submitted on August 1, 2024, at 09:46 AM. The status is 'Submitted (Resubmitted)'. A red box highlights the 'View Answers' button. Other details include 'Submitted' status, 'Submitted (Resubmitted)', 'Submission Date: August 1, 2024 at 09:46 AM', and 'Remarks: n/a'.

Here, students will be presented with their submitted assignment, along with the details for total marks, the number of questions attempted, and the time of submission.

The screenshot shows the assignment questions and answers. The total marks are 9, and 9 questions were attempted. The submission time is August 01, 2024, 09:46 AM NPT. The assignment is titled 'demo' and is for 'IGCSE Chemistry 0620 Migrated'. The first question is: '1. Why is cryolite used during the extraction of aluminium by electrolysis? [1]'. The options are: A It is a catalyst for the reaction. B It lowers the melting point of the electrolyte. C It protects the anodes. D It separates the aluminium from the electrolyte. The correct answer is D. The second question is: '2. Which piece of apparatus is used to measure exactly 26.3 cm³ of a liquid? [1]'. The options are: A, B, C, and D.

Self-grading Testpaper/Assignment

However, the answers to the assignment cannot be changed after submission. But it can be resubmitted as a new set of answers.

The timeline of the assignment history can also be viewed with the **“View History”** option, where students can see the overall submissions and feedback from teachers.

The screenshot displays a user interface for 'The Future School - Aim for Excellence'. The main content area shows an assignment titled 'IGCSE Chemistry 0620 Mini-Testpaper' with a 'Self-grading Testpaper' button. A modal window titled 'Assignment History Timeline' is open, showing a timeline for August 1, 2024. The timeline includes a 'Teacher (jasminete)' entry with a score of 70 / 100, remarks 'well done', and a graded time of 09:56 AM. Below this is a 'Student (jasminestudent@mst.sg)' entry with a 'View Answer' button, remarks 'n/a', and a submitted time of 09:46 AM. The background interface also shows a 'View History' button and a '100 Tutor Credits' indicator.

IVY - Suspicious Activity Tracker

If students skip the Interactive Videos a lot and watch multiple videos in a short period, a **"Rapid Video Skipping Detected"** warning will be displayed on the screen. This is to discourage rapid video skipping and warn the students to slow down or risk the video being locked.

IVY - Suspicious Activity Tracker

Similarly, if multiple users attempt to access a single student account simultaneously, a **"Multiple Playback Detected"** warning will be displayed. Video access is limited to one device per account to maintain account security and prevent misuse.

The screenshot shows a web application interface for 'The Future School - Aim for Excellence'. The top navigation bar includes a search icon, a notification bell with '45', a user profile icon, and a '100 Tutor Credits' indicator. The main menu contains 'Home', 'Classrooms', 'Subjects', 'Testpapers', 'Chat Rooms', and 'My Time-Table'. A central white dialog box with a black border displays the following text:

Multiple Playback Detected!

The following Interactive Video (IVy) is being played on another instance. Watching the same IVy concurrently using a single login session is not permitted as per our service agreement in order to prevent any unauthorized and unfair use.

Do you want to switch the device and continue watching here?

Back to Subject [Watch on this Device](#)

Below the dialog box, a video player is visible with a play button icon and the text: "Scroll below to view your diagnostic report for this video." The footer of the page contains a link to "Diagnostics Report for 1.01 Introduction to IGCSE Chemistry" and a button labeled "Generate Testpaper".
