About Our Learning Resources and Pedagogy

Our Interactive learning resources and rich feature-set make us the best academic delivery platform in the industry. Hundreds of top international schools and users from across 50 different countries depend on mySecondTeacher and choose us to be their academic delivery solution.

Our Awards

Our key learning resources include Interactive Videos for IGCSE & AS/A Levels, as well as Interactive eTextbooks and eWorkbooks for Cambridge Primary Checkpoints and Lower Secondary.

Our Interactive Videos are based on a dialogic teaching methodology and thus incorporate conversational teaching methods between a teacher and student so as to simplify complex concepts. Additionally, we incorporate diagnostic lesson quizzes to ensure subject understanding, retention, and mastery. Fun simulations and Kung Fu Quizzes make the experience even more engaging!

Our eTextbooks and eWorkbooks include the relevant teacher's guides and also additional materials in way of extra PPTX and PDF lesson materials, including Testpapers.

Over 70% of students on mySecondTeacher have scored distinctions in their IGCSE Examination.

In partnership with Alston Education, mySecondTeacher aims to facilitate resource accessibility while ensuring academic excellence. eBooks from our partnered publications are curated to support holistic education, offering a wide range of additional Interactive learning contents such as audio, video, fun simulation and PDFs backed up by our platform's feature to scribble, take notes and bookmark pages. Pages from these books might even be digitally assigned to students as homework, and marked digitally by teachers!

Our Offerings

We focus on the Cambridge curriculums because of our in-depth expertise and knowledge in the Cambridge syllabuses and the Cambridge learner and teacher attributes.

Our Features

mySecondTeacher and its innovative features empower teachers like you by providing the necessary tools to enhance your teaching methods and facilitate an effective learning environment. By integrating technology into the educational process, our platform aims to support you in your instructional practices and enable you to deliver high-quality education.

Everything that you can do in mySecondTeacher as a teacher, depending on the subjects that you are given access to:

Hassle-free Assignment Process

- ✓ Give Assignments from Interactive Videos, eTextbooks, eWorkbooks and Testpapers
- ✓ Set deadlines
- ✓ Share class notes required to complete Assignments
- ✓ Receive submission, give feedback and grade Assignments
- ✓ Get in-depth assignment insights with Diagnostic Reports and Question Analytics.

Schedule Classes

- ✓ Schedule Online or In-Class Sessions
- ✓ Share documents or photos of activities done In-Class on the platform to aid future revision
- ✓ Track attendance
- ✓ Track all offline and In-Class Sessions, and even track the platform activities of your students

Learning/Teaching Resources

- ✓ Teach from Interactive Videos and eBooks
- ✓ Access Teacher's Guide containing effective teaching methodologies and scheme-of-work
- ✓ Access additional teaching resources from "Global Resources"
- ✓ Create your own Testpapers from our question banks
- ✓ Upload your own resources, which you may share both with school colleagues as well as your class

Chat Rooms for Collaborative Learning

- ✓ Create classroom or project specific chat groups
- ✓ Seamless interaction with students
- ✓ Share documents

Announcements to Parents, Teachers & Students

- ✓ Send General Announcements
- ✓ Send eConsent Announcements

Note: Feature updates might be carried out periodically without prior notification, to provide a better user experience. Please contact us via Chat Support for assistance regarding the platform.

mySecondTeacher

For Responsible Teachers

mySecondTeacher provides a convenient platform for you as a teacher to carry out your daily tasks. With the integration of innovative technology, our features are designed to assist you in efficiently monitoring and tracking student's Online and In-Class academic progress, engagements, strengths, and areas for improvement with convenience. By leveraging our tools, you can enhance your teaching practices that ultimately contributes to the academic success of your students.

A Teacher's Dashboard

Wide Range of Assessment Testpapers

Our platform offers a standard question bank utilising which you can generate Self-grading and Normal Testpapers. You can customise these Testpapers by choosing Multiple-Choice or Open-Ended questions and setting difficulty levels. You can also generate your own Custom Testpapers with options to add “Question Introduction,” “Multiple Choice,” “Multiple Answers,” “Open-Ended” and “Fill in the Blanks” questions.

These options for Testpapers allow you to create well-rounded assessments that engage and challenge your students and provide a more accurate measurement of their knowledge and abilities.

Scheduling Online or Offline Classes

You can schedule Online and In-Class Sessions from our platform. This allows you to adapt to the diverse modalities of education, satisfying the requirements of both online and conventional classroom environments, facilitating efficient lesson delivery and student engagement in any learning context.

The screenshot shows the platform's main navigation bar with tabs for 'All Students', 'Sessions', 'Assignments', and 'Teacher's Content'. The 'Sessions' tab is active, displaying a calendar view for June 18, 2023, to June 24, 2023. A 'Create New Session' button is highlighted with a red circle. A dashed blue arrow points from this button to a 'Create Session' modal window. Another dashed blue arrow points from a 'Sessions Report' button to a 'Session Attendance Report' window. The 'Create Session' modal shows details for a session named 'Brief Introduction' for '2022_AS / A Level_Accounting (AS / A Level Accounting (9706))' on June 18, 2023, at 12:15 PM. The 'Session Attendance Report' window shows a list of 8 students who were present, with columns for 'Present', 'Absent', 'Sick', and 'Permit'.

Create Session

Your session will be created and added to your class schedule. All students invited in the session will receive a notification on the platform. Your session will be created with the following details:

Session Name

Scan/Click here to learn how:

- To access attendance reports.
- To manually record attendance.

Did you know?

Teachers can take photos of student's work and upload it on the platform after any In-Class Sessions. This allows for the recognition and accessibility of the best work, enabling everyone to review and learn from it.

Did you know?

You can keep track of all the scheduled sessions (Online and In-Class Sessions) via “**My Time-Table**” which presents a Weekly/Monthly overview of created sessions.

Convenient Communication Enabled by Chat Rooms

As a teacher, you can create chat groups for specific classes or projects that enables individualised conversation and file sharing. These channels serves as designated locations to deliver important information, announcements, and resources, encouraging collaborative learning and active student participation.

Scan/Click here to learn how:

- To create and use Chat Rooms.

Make Announcements for Easy Communication

As a teacher, you can utilise the Announcements feature to communicate important school-related activities, exams updates or any general information. It is the best way to send notices to students, teachers or parents. Additionally, you can send eConsent forms and receive responses from the respective recipients.
